## 4. How to replace wax candle

If the candle is burned up, you can replace the wax candle by a new one.

1. Hold the aluminium base and pull off the wax candle.
2. Place the new wax candle.

## 5. Warranty

Eden Design's warranty obligations for this product are limited to the terms set forth below:

Eden Design, warrants this Eden Design-branded product against defects in materials and workmanship under normal use for a period of TWO (2) YEAR from the date of retail purchase by the original end-user purchaser ("Warranty Period"). If a defect arises and a valid claim is received within the Warranty Period, at its option and to the extent permitted by law, Eden Design will either (1) repair the defect at no charge, using new or parts equivalent to new in performance and reliability, (2) exchange the product with a product that is new or equivalent to new in performance and reliability and is at least functionally equivalent to the original product. Eden Design may request that you replace defective parts with new or refurbished user-installable parts that Eden Design provides in fulfillment of its warranty obligation. A replacement product or part, including a user-installable part that has been installed in accordance with instructions provided by Eden Design, assumes the remaining warranty of the original product or ninety (90) days from the date of replacement or repair, whichever provides longer coverage for you. When a product or part is exchanged, any replacement item becomes your property and the replaced item becomes Eden Design's property. Parts provided by Eden Design in fulfillment of its warranty obligation must be used in products for which warranty service is claimed.
