

PRODUCT DESCRIPTION

Fixed recessed downlighter for general or accent lighting. Similar to the ROVA spot, but with a light source that is placed 'deeper' into the fixture which makes it a more subtle downlighter.

Aluminium fixture, white or black powder coated, provided with a LED module which replaces the MR16 halogen spotlight. Available in 2700, 3000 and 4000K and in a low output (250mA) and high output (350mA) version.
